Regarding application of HILLS CARD Mastercard Discount and Premium Passport Discount

● HILLS CARD Mastercard and Premium Passport Discounts can be applied only once per one payment. Those discounts of 2nd person or more cannot be combined for one payment.

In case that joint users are resisterd on Ticketless Parking

● When applying discounts at checkout, all applicable discounts for joint users will be applied together at the same time.

● If multiple vehicles registered on Ticketless Parking are in th parking lot at the same time, all joint user's discounts will be applied to the vehicle paying first.

For more information, please refer to the dedicated website for details.

● If you do not want your discount information to be combined with that of other joint users when making payment, you can set it like that on your "My Page" of Ticketless Parking website. Please refer to the dedicated website for details.
